THE COMMENCEMENT

HYMN (*Standing*)

All people that on earth do dwell
Sing to the Lord with cheerful voice:
Him serve with fear, his praise forth tell,
Come ye before him and rejoice.

The Lord, ye know, is God indeed,
Without our aid he did us make;
We are his flock, he doth us feed,
And for his sheep he doth us take.

O enter then his gates with praise,
Approach with joy his courts unto:
Praise, laud, and bless his name always,
For it is seemly so to do.

For why? the Lord our God is good,
His mercy is forever sure;
His truth at all times firmly stood,
And shall from age to age endure. *Amen.*

DEGREES IN COURSE (*Page 7*)

THE PROMISE

With a sober sense of my responsibility I promise to hold my degree so it suffer no harm in my holding it; to hold it with untarnished honor to myself, in generous loyalty to Alma Mater, and for the honest service of my fellow-men.

THE CHORAL BLESSING Peter Christian Lutkin
THE A CAPPELLA CHOIR

AWARDING OF DIPLOMAS

HYMN

Our Alma Mater dear,
Thy children gather here
To sing thy praise.
Oh, may we ever be,
Whate'er our destiny,
Pure, loyal, true to thee,
Throughout our days.

Our father's God! to Thee,
Author of Liberty,
To thee we sing.
Long may our land be bright
With freedom's holy light;
Protect us by Thy might,
Great God, our King! *Amen.*

BENEDICTION

HONORARY DEGREES

Doctor of Music;—Frederick Wilhelm August Stock

Conductor of the Chicago Symphony Orchestra; a distinguished composer, an artist and conductor of international reputation, and a potent factor in the development of our American musical life.

Presented by Professor Oldberg

Doctor of Divinity;—Eli Phillips Bennett

A graduate of this University of the class of 1896, a preacher and pastor of recognized merit, an alumnus who has brought honor and distinction to the University by conspicuous service for the church and for society.

Presented by Professor John A. Scott

Doctor of Laws;—Mitchell Davis Follansbee

Alumnus of Northwestern University; President of the Northwestern University Law School Alumni Association; loyal and devoted member of the law faculty of Northwestern University for thirteen years; President of the Chicago Bar Association for the past year; a director of the United Charities of Chicago; a public spirited citizen and a distinguished member of the Illinois Bar.

Presented by Professor Costigan

Doctor of Laws;—Henry Seely White

Scholar, critic, teacher, investigator in the field of Mathematics. Member of the National Academy of Sciences, former President of the American Mathematical Society and editor of its transactions. Professor of Mathematics in Vassar College; for thirteen years Professor of Mathematics in this University, to whose upbuilding he contributed much.

Presented by Professor Curtiss

Doctor of Laws;—Newton Wesley Rowell

Member of the Ontario Legislature and leader of the Liberal Party in that province; member of the Senate of the University of Toronto and of the Senate of Victoria University; prominent in the promotion of friendly relations between Canada and the United States; notable for his activities in the advancement of temperance and national welfare; distinguished as a member of the church, particularly in its missionary enterprises.

Presented by Professor Harris

Doctor of Laws;—Henry Wade Rogers

Former President of this University; now Dean of the Faculty of Law in Yale University, and Judge of the Federal Court; a jurist of national eminence; an educational organizer, who welded together the departments of this University, mapped the lines of its progress for a generation, and placed it under a lasting debt of gratitude.

Presented by Dean Wigmore

In Absentia

Doctor of Science;—Sherburne Wesley Burnham

An astronomer of international renown, an investigator who, starting as an amateur with an instrument of small power, has given distinction to the two greatest telescopes in the world; a discoverer who has made us acquainted with more than a thousand new double-suns: a signal example of devotion to science unswerved by any distraction; a lover of truth; a generous friend whose achievements we are glad to recognize and whose distinction we cannot augment.
